CONSENTED MOTION FOR FURTHER SUSPENSION OF PROCEEDINGS

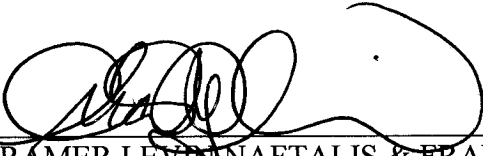

Pursuant to 37 C.F.R. § 2.117(c), the parties hereby move jointly to extend by an additional sixty (60) days the suspension period requested by the parties in the Consented Motion for Further Suspension for Proceedings filed by Petitioner on October 23, 2014 (the "First Consented Motion"), which requested a suspension of proceedings until December 20, 2014. The First Consented Motion was docketed by the Trademark Trial and Appeal Board ("TTAB") on October 27, 2014, but has not yet been ruled on by the TTAB. This requested continued suspension period, if granted, would expire on February 20, 2015.

12-29-2014

Since the filing of the First Consented Motion, the parties were able to reach an agreement on all material issues. Draft settlement agreements were exchanged and negotiated, and a final agreement has now been circulated for execution. However, in light of the holiday season and the parties' schedules, we do not expect to obtain an executed version of the settlement agreement prior to December 22. Accordingly, the additional time of sixty (60) days is necessary to allow the parties to finalize and execute the settlement agreement. The parties are eager to resolve this matter expeditiously, and believe that such resolution will likely be achieved by the end of this suspension period, if granted.

Respectfully submitted,
